JOHN WHYBREW

The Indiana Polled Shorthorn Ass'n each year honors one of its members for outstanding service to the breed. The list of those honored reads like a who's who of the industry. This year the man being honored with this award certainly belongs among this elite group. No one has worked harder for the advancement of Polled Shorthorns than John Whybrew, Swayzee, Indiana. His contributions have been felt from his work with juniors right up through the ranks and into the breed's strongest herds. He is a past president and director of the state ass'n and his advice is widely sought by young and old alike. The Whybrew program of improvement is assured for the coming years, also, as the oldest son, J. D. is now taking an active part in state activities being the present secretary of the ass'n.

His mother is an own daughter of Rodney's Leader 29 x, the most prepotent sire of Polled Shorthorn cattle today. Avenel Augusta Lady 5th x is one of the great Polled Shorthorn cows of the breed. This bull has the individuality, the ancestry, and the thickness to help any herd. His sire is at work at Penn State Univ., Timberlee, Upson and Oakwood, and is a 100% dehorner. Pennsylvania performance test index value of 151.8. Herd T.B. Accredited and Bangs Certified.

RICHWOOD CHEVALIER x — An outstanding herd bull prospect by a son of Waseka Prince Charles x that we sold in the Blue Ribbon sale in 1965. His pedigree on the dam's side presents something different in Polled Shorthorns and with the kind of an individual Chevalier is, I'm sure you'll agree with me that the Beaufort Chevalier by Beaufort Bulldozer influence is producing great results. July 11 Chevalier weighed 1,200 pounds. Buy this bull with confidence. His ancestry is right and individually he's right.

Northwood Bonanza, herd sire for Geo. Woods & Sons, Frankfort, Ind., is bringing the Glastullich Cock Robin influence to the Polled branch of the breed. His first son sells as Lot 9 in this sale.

Bonanza is doing a great job, along with bringing the blood of the famous Glastullich Cock Robin to the Polled breed for the first time. Brave Robin's dam is the twice All-American Woodland Gloster Glee 64th x. This is her first calf and she is now nursing a fine April heifer. Brave Robin is truly a modern type beef bull with good size, character and lots of muscling. He is a true stock bull prospect in every sense of the word.

NOBLE DESIGN x — A well balanced son of Lynnwood Orderly x from our 1967 show herd. We purchased his dam, C F Goldendrop 2nd x in the Cooper dispersion. She has produced four outstanding calves from three different bulls. I believe this should indicate her great breeding ability. Her first bull we have retained one-half interest in and her 1965 bull we are using in our herd, a full brother to this bull. Her 1967 calf looks real good and you can expect ot see him in our show herd next season.

What an array of breeding and power. 40 females sell in this sale. Sired by and bred to bulls that are writing breed history. Study the pedigrees and read the footnotes, note the strength of this consignment of Polled Shorthorn females. They are not only the kind that will lay a solid foundation for the new breeder . . . but also the kind that will strengthen any herd, be it large or small . . . new or old . . . famous or just getting that way. 12 of them are 1967 heifer calves and will be eligible for the junior shows next year.
